

Johnny B.'s "RHYTHM OF THE NORTH"

School Assembly and Workshops

The Johnny B. Assembly is all about music, creative writing, social studies, career choices and "doing the best you can." The program is professional, rousing, educational and entertaining.

Piano-man Johnny B. has put together a wonderful mix of music and dialog that students and staff love. The presentation aligns with many academic standards. Johnny B.'s many years of teaching in the classroom and over 40 years of performance experience keeps the audience captivated every step of the way. His first school assembly was in 1979.

Students and staff at all grade levels have thoroughly enjoy Johnny B.'s presentation. The 45 minute Elementary School (K-2, 3-6 or 1-6) assembly is filled with music, stories and images of life in the Far North. The 50 minute Middle School assembly explores the creative process of song writing and its similarity to story writing, it also takes a closer look at the wildlife and geography of Alaska. The 50-60 minute workshops on performance, practicing techniques and song writing are also available for the Middle School and High School levels.

Johnny B. was awarded the national James Patterson "Pageturner Award" in 2006 for "spreading the joy of reading in a unique and positive way" for his school assembly.

The fee starts at \$350. The hosting school supplies a piano with bench, pa system and projection screen. In some cases, a wall has worked fine for projected videos. Johnny B. brings a projector.

The Johnny B. Assembly and workshops are excellent. Please let us know if we can send you more information.

The school community
will love it!
